

Randonneurs Ontario Achievement Awards

In addition to the club's Annual Awards (determined by membership voting or annual distance accomplishment) there are **five Achievement Awards available to members**.

“These awards show there is more than one way to have a rich and challenging randonneuring season. For the seasoned members and *anciens / anciennes* there are new challenges to be undertaken. For the newer members, there is a lot of potential for setting some long-term goals.”

The O-12, ONTARIO EXPLORER, and O-5000 awards were introduced in 2019:

At least 8 of these monthly rides must be Randonneurs Ontario brevets or permanents. If any of the 12 rides are completed outside Ontario, they must be brevets done with other ACP member clubs (or Permanents completed under the RUSA Permanent program).

Award: Can be earned multiple times. Medal awarded for first achievement, subsequent achievements listed on Club Achievement “Honour Roll”
